Dear Mr. Deon:

This is in response to your request, filed on behalf of WBCB for a waiver of the \$300.00 penalty for late regulatory fees for FY 2000. Our records reflect that you have not paid the late penalty.

In support of your request, you enclosed a copy of your check for your \$1,200.00 regulatory fee dated September 11, 2000, which you state is the date on which your payment was sent. You indicate that you do not feel you should be held responsible for the delay in processing by Mellon Bank.

Our records reflect that your FCC Form 159 that accompanied your check was date-stamped by the FCC Mail Room on September 26, 2000 and by the Mellon Bank on September 29, 2000.

The Communications Act of 1934, as amended, requires the Commission to assess a late payment penalty of 25 percent on any regulatory fee not paid in a timely manner. It is the obligation of the licensees responsible for regulatory fee payments to ensure that the Commission receives the fee payment no later than the final date on which regulatory fees are due for the year. We find that Progressive Broadcasting, Inc. did not meet its obligation to file its regulatory fee to be timely received by the Commission by September 22, 2000. We therefore deny your request for rescission of the late payment penalty for late payment of the fiscal year 2000 regulatory fee.

Payment of Progressive Broadcasting's late payment penalty of \$300.00 for FY 2000 is now due. The late payment penalty must be filed together with a copy of Bill No. 2001-9-0136, within 30 days from the date of this letter. If you have any questions concerning this matter please contact the Revenue and Receivables Operations Group at (202) 418-1995.

Sincerely,

Mark A. Reger

Chief Financial Officer

Re: WBCB-AM

Dear Ms. Donahue,

We are in receipt of your letter dated 12/15/00 and are writing to request an abatement of the \$300.00 late charge.

Enclosed is a copy of the check dated 9/11/00, which is the date in which the payment was sent. We did not send the payment via certified mail due to our limited budget. Being a small AM station we try to reduce our expenses as much as possible.

We feel we mailed the payment in enough time to reach you by the due date of 9/22/00 and cannot be held responsible to the delay in processing by Mellon Bank.

We thank you in advance for your consideration and look forward to hearing from you.

Sincerely,

Pasquale T. Deon, Sr.

Re: WBCB-AM

Dear Licensee:

This letter is notice that you were late paying your 2000 annual regulatory fee(s). Payment of regulatory fees was due to the Federal Communications Commission (FCC) by midnight, September 22, 2000. Your fee payment of \$ 1,200.00 has received on Sept. 26, 2000.

In accordance with Section 9 [47 USC 159(c)(1)], a 25 percent late penalty in the amount of \$300.00 has been assessed. Unless you can show just cause why the penalty is inapplicable, payment is due within 20 days from the date of this letter.

Payment should be sent to the Federal Communications Commission, Regulatory Fees, P.O. Box 358835, Pittsburgh, PA 15251-5835, along with a copy of the enclosed billing invoice.

If you have any documentation that will establish that the fee was remitted and received at Mellon Bank by September 22, 2000, such as a carrier dated receipt, please include this documentation with your response so that we can clear your record(s).

You are cautioned that failure to respond and/or pay the penalty will subject you to further sanctions as defined in 47 CFR, Section 1.1164 of our Rules. These sanctions include subjecting the delinquent payer's pending applications to dismissal, and may require a delinquent payer to show cause why any existing instruments of authorization should not be revoked. Further sanctions include interest charges, and the full cost of collection to the Federal government pursuant to Section 3720A of the Internal Revenue Code, 31 USC 3717, and the provision of the Debt Collection Act, 31 USC 3717.

If you have any question, you may contact my office at (202) 418-1995.

Sincerely,

Susan A. Donahue, Chief

Revenue and Receivables Operations Group
